**SPECIFICATIONS & PROPOSAL  
FOR  
FOOD GRADE HYDRATED BULK LIME  
(BID #06-19)**

This proposal is for furnishing food grade hydrated bulk lime to the City of Opelousas Water Treatment Plant. Delivery shall be approximately 18 to 25 tons every 15 days. The contract period shall be for twelve (12) months from date of contract award and the price shall remain firm for the period of the contract. Delivery must be made within four (4) working days from date of order.

Deliveries shall be made to the Water Treatment Plant at 554 Guidry Street between the hours of 7AM and 4PM Monday through Friday.

Only fresh lime will be acceptable. The transport truck shall have been used for lime transport only. It is the supplier's responsibility to check each transport and determine if any traces of toxic material or any bacteriologically impure material is present in the transport. Failure to do this shall be grounds for rejection by the City of Opelousas.

All tare, gross and net weights shall show on each delivery ticket and invoice.

The hydrated lime shall meet the following specific requirements:

FREE MOISTURE (H<sub>2</sub>O) CONTENT shall not exceed one percent (1%).

AVAILABLE CALCIUM OXIDE (CaO) CONTENT shall not be less than seventy-two percent (72%).

IRON (Fe) CONTENT shall not exceed one percent (1%).

NINETY-SIX PERCENT (96%) of the lime shall pass through 325 mesh.

INSOLUBLES shall not exceed one percent (1%).

Lime shall meet specifications of AWWA-B202-77 or latest revisions and ASTM-C 53, or latest edition thereof. Typical analysis of the lime shall accompany the bid.

Bid price must be firm price for these specifications. If price is not bid firm, then price must be accompanied by provision for fixed escalation or de-escalation in accordance with United States Bureau of Labor Statistics Consumer Price Index and/or Wholesale Price Index; and/or where particularly applicable to subject matter bid, any recognized escalation index affecting said subject matter; all as more fully authorized in R.S.38:2211(A)(2).
